

# BREAK THE ICE FOR TULSA POOLS CAMPAIGN

Tulsa Parks aquatic programs provide a cool way to pass summer days when the temperatures start to climb. Last summer more than 51,000 people were able to access an aquatic program, including a pool or splash pad, in the city of Tulsa.

Now, you can help to make sure City pools will be open, safe and fun for all next summer by participating in a new campaign, "Break the Ice for Summer Fun." Sponsored by the Tulsa Park Friends organization, this campaign provides Tulsans with the opportunity to open four or more Tulsa pools during the summer of 2010. Support from private citizen's organizations and businesses can truly make a difference in providing aquatic programs for the citizens of Tulsa.

Seven different sponsorship packages are available, each with unique benefits to you and/or your organization. Your tax-deductible donation may be made to the Park Friends, a 501c3 organization.

For more information, please contact Karen Hanson at 596-2113 or [khanson@cityoftulsa.org](mailto:khanson@cityoftulsa.org).
